

## Get a Hold of Yourself

Jamie Cullum

As I sit and wait for some answers  
The questions go round like a Kamikaze pilot  
Enlightenment's just a romancer  
I wish it were here burning brightly though the skylight

Get a hold of yourself  
Get a hold of yourself, now boy  
Get a hold of yourself  
Get a hold of yourself, now

If everyone here is invited  
I'm more in the dark than I ever even guessed  
Should I cling on to something solid  
I wish it were here dressed up in its Sunday best

Get a hold of yourself  
Get a hold of yourself, now boy  
Get a hold of yourself  
Get a hold of yourself, now

Get a hold of yourself,  
Get a hold of yourself,  
It's time to get a hold of yourself,  
Get a hold of yourself, now
