

I Can't Get Started

Jamie Cullum

I'm a glum one, it's explainable
I've met someone unattainable
Life's a bore
The world is my oyster no more

All the papers where I lead the news
With my capers
Now will spread the news
Superman turned out to be a flash in the pan

I've flown around the world in a plane
I've settled revolutions in Spain
The North Pole I have charted
But I can't get started with you

Around the golf course I'm under par
And all the movies want me to star
I've built a house and show place
But I can't get no place with you

You're so supreme, lyrics that I write of you
Scheme, just for a sight of you
And I dream both day and night of you
And what good does it do

In 1929, I sold short
In London, I'm presented at court
But you've got me down hearted
'Cause I can't get started with you

You're so supreme, lyrics that I write of you
Scheme, just for a sight of you
And I dream both day and night of you
And what good does it do

In 1929, I sold short
In London, I'm presented at court
But you've got me down hearted
'Cause I can't get started with you, with you
