

# If I Ruled the World

Jamie Cullum

If I ruled the world,  
Every day would be the first day of spring.  
Every heart would have a new song to sing,  
and we'd sing of the joy every morning would bring.

If I ruled the world,  
Every man would be as free as a bird.  
Every voice would be a voice to be heard,  
take my word we would treasure each day that occurred.

My world would be a beautiful place  
Where we would weave such wonderful dreams.  
My world would wear a smile on its face,  
like the man and the moon has, when the moon beams.

If I ruled the world,  
Every man would see the world was his friend. Yeah  
There'd be happiness that no man could end,  
no my friend, not if I ruled the world.

Every hand would be held up high,  
There'd be sunshine in everyones sky.  
If the day ever dawned,  
will I rule the world.

Every hand would be held up high,  
Every star would shine in everyones sky.  
If the day ever dawned,  
will I rule the world.
