

Love for \$ale

Jamie Cullum

Love, love for sale
Appetizing young love, love for sale
If you wanna buy my wares
Follow me and climb the stairs
Love for sale

Who, who will buy?
Who would like to sample my, sample my supply?
Love that's fresh and still unspoiled
Love that's only slightly soiled
Love, young love for sale

Let the poets pipe of love
In their childish way
I've been through the mill of love
Better far than they

If you want a thrill of love,
I've been through the mill of love
Old love, new love
Anything but true love

Love, young love for sale
Appetizing young love, young love for sale
If you wanna pay the price,
For a trip to paradise
It's love, it's love for sale

[Roots Manuva]
Task master gimme that raw uncut love
Flying the dove higher than high
He never come down
We illin' ready to stick that neck out
Switcher get sticky now we get the heck out
All grown up now with a feeling for the deepness
Restless, looking for a brand new outlook
Paradise without, paradise within
The devil's design is enticing things
He without sin may frown on us.
Keep schtum mate, take it to the ground and such
Its nobody's business to be in the business
You can have it all just put it on your wish list
All becomes fair in love and war
Less becomes more, more becomes less
When you fight for your right to do for love
Ain't a thing that we won't do for love
Short term part time dancing on the timeline.
Defy definition with the ultimate position of
Karma Sutra, suit yourself
Pick up a love gun and shoot yourself
Feels so good to wanna die for love
Whatever the reason what type of love
Quick love, slow love, never gonna know love
Shame on you, we could make a home
Second to none and jump the outdone
Beat your chest 'cause you's a love champion!

If you wanna pay the price,
For a trip to paradise
It's love, it's love for sale
Young love for sale
Young love, young love for sale
Young love, young love, young love for sale
Young love, young love for sale
Young love for sale
