

Lovesick Blues

Jamie Cullum

I'm in love,
I'm in love,
I'm in love with a girl,
That's what's the matter with me
I'm in love,
I'm in love, with a beautiful girl,
But she don't care about me
To make her love me I tried,
How I sighed and I cried
But she just refused
And ever since she's gone away,
I've got them lovesick blues
I've got the feeling called the "blue hoo's,"
Since my baby said "Good Bye"
Seems I don't know what to "Do Hoo"
All day long I sit and cry
That last long day we spent alone
But I'm yearning for it yet
She thrilled me, filled me,
With a kind of lovin',
That I will never forget,
The way she called me sweet daddy
It was just a beautiful dream
I hate to think that it's all over
I lost my heart it seems
Cause I got so used to her somehow
But I'm no body's baby now
Gee it's awful when you're lonesome
And get those lovesick blue-oo-oo-oo-oo's
I got the feeling called the blue-oo-oo-oo-oo's
Since my baby said "Good Bye"
I hate to think it's all over
All day long I sit and cry
That last long day we spent alone
I'm yearning for it yet
She thrilled me, filled me,
With a kind of lovin',
I will never forget,
I got the lovesick blues...
