

# Out of this World

Jamie Cullum

You're clear out of this world  
When I'm looking at you  
I hear out of this world  
The music that no mortal ever knew

You're right out of a book  
The fairy tale I read when I was so high  
No armored knight out of a book  
With more enchanted Loralie than I

After waiting so long for the right time  
After reaching so long for a star  
All at once from a long and lonely night time  
And despite time, here you are

I cry, out of this world  
If you said we were through  
So let me fly out of this world  
And spend the next eternity or two with you

You're right out of a book  
The fairy tale I read when I was so high  
No armored knight out of a book  
With more enchanted Loralie than I

After waiting so long for the right time  
After reaching so long for a star  
All at once from a long and lonely night time  
And despite time, here you are

I cry, out of this world  
If you said we were through  
So let me fly out of this world  
And spend the next eternity or two with you

Clear out of this world  
Clear out of this world  
Clear out of this world  
Clear out, clear out
