

# PILLOWTALK

Jamie Cullum

Climb on board  
We'll go slow and high tempo  
Light and dark  
Hold me hard and mellow

Seeing the pain, seeing the pleasure  
'Body but you, 'body but me, 'body but us  
Bodies together  
Love to hold you close, tonight and always  
Love to wake up next to you  
Love to hold you close, tonight and always  
I'd love to wake up next to you

So we'll piss off the neighbours  
In the place that feels the tears  
The place you lose your fears  
Yeah, reckless behaviour  
A place that is so pure, so dirty and raw  
Be in the bed all day, bed all day, bed all day  
Fucking in, fighting on  
It's our paradise and it's our war zone  
It's our paradise and it's our war zone

Pillow talk  
My enemy, my ally  
Prisoners  
Then we're free, it's a thin line

I'm seeing the pain, seeing the pleasure  
'Body but you, 'body but me, 'body but us  
Bodies together  
Love to hold you close, tonight and always  
Love to wake up next to you

So we'll piss off the neighbours  
In the place that feels the tears  
The place you lose your fears  
Yeah, reckless behaviour  
A place that is so pure, so dirty and raw  
Be in the bed all day, bed all day, bed all day  
Fucking in, fighting on  
It's our paradise and it's our war zone  
It's our paradise and it's our war zone

Paradise, paradise  
War zone, war zone  
Paradise, paradise  
War zone, war zone

So we'll piss off the neighbours  
In the place that feels the tears  
The place you lose your fears  
Yeah, reckless behaviour  
A place that is so pure, so dirty and raw  
Be in the bed all day, bed all day, bed all day  
Fucking in, fighting on  
It's our paradise and it's our war zone

It's our paradise and it's our war zone

Pillow talk

My enemy, my ally

Prisoners

Then we're free, it's a thin line
