

# Wheels

Jamie Cullum

Everyday you live a life so full of hope  
Shouldn't drag your soul around you like a leather vogue  
You remember everything you thought your life would be  
Well its fallin through the craks of ancient history

Oh, Is this something that I never, something that I never had  
Oh, Is this something that I never, something that I never had  
Tell you what I've heard  
The wheels are falling off, the wheels are falling off the world

Friday night and everything is a ok  
We are living like we've always known a different way  
We are taking on our different roads before our goal  
It'll bring you back around to the one you know

Oh, Is this something that I never, something that I never had  
Oh, Is this something that I never, something that I never had  
Tell you what I've heard  
The wheels are falling off, the wheels are falling off the world
