Wheels

Jamie Cullum

Everyday you live a life so full of hope Shouldn't drag your soul around you like a leather vogue You remember everything you thought your life would be Well its fallin through the craks of ancient history

Oh, Is this something that I never, something that I never had Oh, Is this something that I never, something that I never had Tell you what I've heard

The wheels are falling off, the wheels are falling off the worl $\ensuremath{\mathtt{d}}$

Friday night and everything is a ok
We are living like we've always known a different way
We are taking on our different roads before our goal
It'll bring you back around to the one you know

The wheels are falling off, the wheels are falling off the worl $\ensuremath{\mathtt{d}}$
