

# You and the Night and the Music

Jamie Cullum

You and the night and the music  
Fill me with flaming desire  
Setting my being completely on fire  
You and the night and the music  
Thrill me but will we be one  
After the night and the music are done

Until the pale light of dawn and in daylight  
Hearts will be throbbing guitars  
Morning will come without warning and take away the stars  
If we must live for the moment  
Love til the moment is through  
After the night and the music die, will I have you?

Until the pale light of dawn and in daylight  
Hearts will be throbbing guitars  
Morning will come without warning and take away the stars  
If we must live for the moment  
Love til the moment is through  
After the night and the music die, will I have you?
