

# You're Nobody Till Somebody Loves You

Jamie Cullum

You're nobody till somebody loves you  
You're nobody till somebody cares

You may be king  
You may possess the world and its gold  
But gold won't bring you happiness when you're growing old

The world still is the same  
You'll never change it  
As sure as the sun shine above

You're nobody till somebody loves you  
So find yourself somebody to love

You're nobody till somebody loves you  
You're nobody till somebody cares

You may be a king  
You may possess the all world and its gold  
But gold won't bring you happiness when you're growing old

The world still is the same  
You'll never change it  
As sure as the sun shines above you

You're nobody, nobody till somebody loves you  
So find yourself somebody  
You got to get yourself somebody  
because you're nobody till somebody loves you  
You're nobody to somebody cares

You may be a king  
You may possess big fat world and its gold  
But gold won't bring you happiness when you're going old

The world's always the same, you'll never change it, change it  
As sure as the stars shine above

You're nobody, nobody till somebody loves you  
So find yourself somebody, somebody to love
