How did you get out to the door?

So cold!
But I'm gonna give..

Let me get you on your toes!
Let me, let me get you on your toes!
Cause.. get me strong
Let me, let me get you on your toes!
Let me get you on your toes!
Cause I know your body..
Let me, let me get you on your toes!
Let me, let me get you on your toes!
..
Please baby, baby, please!
.. too fast..
Baby, get you on your toes,
Cause.. get me strong,
Let me get you on your toes!
Cause I know your body..
Cause your body..
