

Do Life Big

Jamie Grace

I gotta slow down. Stop for a second.
Take a look around.
And I gotta take time to hear that little voice inside saying,
"I came to give you life". So spread your wings and fly.
I got a secret to share. You are enough to change the atmosphere.

So go and do life big. Big.
I wanna do life big. Big.

Wake up in blue skies.
I can feel my heart beatin' inside.
Yeah, it's like a new day. Woke up to hear you say,
"I came to give you life". So spread your wings and fly.
Now go and show no fear.
You are enough to change the atmosphere.

So go and do life big. Big.
I wanna do life big. Big.

Oh, I wanna love. Wanna live.
Every day I live.
I wanna do life big.
I wanna love, serve, and give every chance I get.
I wanna do life big.
Oh, I wanna love.
Wanna live.
Every day I live.
I wanna do life big.
I wanna love, serve, and give every chance I get.
Oh, I wanna do life.

I wanna do life big.
Big. I wanna do life big. Big.

Oh, yeah.

I wanna love like you.

I wanna give like you.

Oh, I wanna do life big.

I wanna sing like you.

Live out my life like you.

I wanna do life big.

Oh, oh, oh

I wanna do life big. I wanna do life big. I wanna do life big.

Oh, oh, oh

I wanna do life big.
