

Show Jesus

Jamie Grace

Your smile's always shinning out
And they know what it's all about
It's not hard for them to figure out
The way you show Jesus
You know love is what they heard
And you didn't even say a word
Ain't it funny that's the way it works
When you know Jesus

Oh it's like flipping on a light switch when you're walking into this room
It's so undeniable

I gotta tell you that I like the way
Any time anywhere any place
It's written all over your face
The way you love Jesus
And it always speaks to me
A little joy with a touch of peace
It's so inspiring
The way you show Jesus

So gimme that gimme that
And show me that show me that
Oh gimme that gimme that
The way you show Jesus

When I'm feeling down on my luck
When life's hard and times get tough
You're right there to pick me up
When you bring Jesus
Cause every now and then
We all need a really good friend
You're always one of them
When you show Jesus

And oh it's like flipping on a light switch when you're walking into this room
It's so unmistakable

I gotta tell you that I like the way
Any time anywhere any place
It's written all over your face
The way you love Jesus
And it always speaks to me
A little joy with a touch of peace
It's so inspiring
The way you show Jesus

So gimme that gimme that
And show me that show me that
Oh gimme that gimme that
The way you show Jesus

Oh it's like flipping on a light switch when you're walking into this room
You're so unmistakable
And oh show up any time of day you could never get here too soon
You're so unbelievable you're so unbelievable

Just gimme that gimme that
And show me that show me that
Oh gimme that gimme that
The way you show the way you show him

I gotta tell you that I'm liking the way
Any time anywhere any place
It's written all over your face
The way you love Jesus
And it always speaks to me
A little joy with a touch of peace
It's so inspiring
The way you show Jesus

So gimme that gimme that
And show me that show me that
Oh gimme that gimme that
The way you show Jesus

So gimme that gimme that
Hey show me that show me that
Oh gimme that gimme that
The way you show Jesus
