

Someone for Everyone

Jamie Lawson

All my friends and lovers, there's something I'd like to say.
If you feel you've lost a little faith along the way.
If you ever wondered how you came to be here.
I need to tell you that you've got nothing to fear.

Cause there are reasons for the way that this world works.
There are reasons I know, sometimes it still hurts.

Don't worry, don't worry, if you can't find love in a hurry.
Don't fret, don't fret, know love hasn't given up yet.
It's hard worn, hard worn, and love doesn't care what you've done.
There's someone here for everyone.

Now all my sisters, brothers, all of my mothers sons.
And all my childhood lovers, and others that I've run from.

Cause there are reasons for the way that this world spins.
There are reasons, and if you can't find your way in.

Don't worry, don't worry, if you can't find love in a hurry.
Don't fret, don't fret, know love hasn't given up yet.
It's hard worn, hard worn, and love doesn't care what you've done.
There's someone here for everyone.

And if you're still waiting for that chance to come your way.
Hold on, hold on, hold Ooonnn.
Everyone.....
Everyone.....

Cause there are reasons for the way that this world works.
There are reasons I know, sometimes it still hurts.

Don't worry, don't worry, if you can't find love in a hurry.
Don't fret, don't fret, know love hasn't given up yet.
It's hard worn, hard worn, and love doesn't care what you've done.
There's someone here for everyone.
There's someone here for everyone.
