

# What Is It This Time

Jamie Lidell

What  
What  
What  
Is it this time?

Could it be something I said?  
Or maybe something I never said?

What  
What  
What  
Is it this time?

Could it be something I did?  
Or maybe something I never did?

What  
What  
What  
Is it this time?

What  
What  
What  
Is it this time?  
Oooh

Could it be  
Could it be  
That actions speak louder than words?

It always one thing or another  
Same thing day after day  
It's either something I didn't do  
Or something I just didn't say  
I'm so tired of trying trying trying  
To read your mind  
'Cause baby  
What is it this time?

What  
What  
What  
Is it this time?

Could it be  
Could it be  
That actions speak louder than words?

But I'm tired of trying to read your mind  
What?  
Yeah
