

Wash Me In The Water

Jamie N Commons

I'm winning, yeah, I'm Able, but I've been raising Cain
'Cause the path I'm on seems much the same
But in the cold night I can't help but ask for more
Seems to leave the pain that I've been asking for

Wash me in the water, take it all away
Wash me in the water, take away this pain
Wash me in the water, wash me of it all
Wash me in the water, before I fall

And I've changed, Lord, I've changed the man I used to be
I hurt you far too much before I could see
But in the cold night I'm sure I'd find a way
To take you, honey, and break you down again

Wash me in the water, take it all away
Wash me in the water, take away this pain
Wash me in the water, wash me of it all
Wash me in the water, before I fall

Now these days have passed me by. Ain't it all the same?
Now all these days are passin' me by now I'm just standin' just
the same.
Ain't it always the same?
Ain't it always the same?
Ain't it always the same?
Ain't it always the same?

Wash me in the water, take it all away
Wash me in the water, take away this pain
Wash me in the water, wash me of it all
Wash me in the water, before I fall

Wash me in the water, take it all away
Wash me in the water, before I fall
Wash me in the water, wash me of it all
Wash me in the water, before I fall

Well if I had it my way, Lord if I had it any way
