

# The Cover Up

Jamie's Elsewhere

Always so fixed on creations  
But you're not my creator  
You pick apart the flaws you find in me  
But your broken so focus on  
Picking up the pieces of your  
State of mind  
You were never there when I was  
By your side  
Well unlike you  
The simple things in life  
Are what I need to get by

No  
No I can't change the past  
Unveil the cover up inside of me  
That I've locked away  
Just to shut you out  
But at least I held my breath  
For long enough to find the person  
Standing in front of me  
Watching as I drown

Do you expect me  
To believe oh ooo  
In the depths of  
Of your perception

I've got some news for you and your point of view oh  
I'm watching I'm waiting for the strength to get me through  
You put me through this hell and I'm back  
I'm back to tell you  
That I'm just calling it quits  
Never been this sure in my life

No  
No I can't change the past  
Unveil the cover up inside of me  
That I've locked away  
Just to shut you out  
But at least I held my breath  
For long enough to find the person  
Standing in front of me  
Watching as I drown

When the water froze  
I built a home around my heart  
Just to keep you warm  
But I traded in for another one  
Sent back to a broken home

No  
No I can't change the past  
Unveil the cover up inside of me  
That I locked away  
Just to shut you out  
But at least I held my breath  
For long enough to find the person

Standing in front of me  
Watching as I drown  
Watching as I drown  
Watching as I drown  
Right in front of me  
Watching as I drown  
But at least I held my breath  
For long enough to find the person  
Standing in front of me  
Just to watch me drown
