Jamie Scott

Uuuuuuuuuuu

If they crims and got cold and blue and they
Chase this scream for hard and used but tonight,
Toniiight, I'm gold

Search for purple through
Blue and red berries
We lay down on this
Like the bed of tonight
Toooniiiiiiight I'm gold
I'm goooo ooo ooo oold

Colors fadeback this
Nag will stay hero
Arms are lied to them
Certains grey
She's got darkened
Wants go deeper and
Love comes closer and
Hearts get weakerrrrrr

Uuuuuuummmmmmmummmmm

So she whispers and to my ear
Words are spoken all I hear for tonight,
Toniiiiiiiiiight, I'm gold

Rose seem longer in
Life gets harder when
Wars gets crossed in
Life gets broken
Fears gets all.
Hearts now has bruises
Words seems smaller when
I'm saderrrrr
