

Searching

Jamie Scott

I play a 6 string for a livin'
But I ain't about to give in
'Cos I'm constantly just searchin for that vibe
I believe in what I'm doin
Though at times my life feels ruined
And my confidence needs lifting, woah

Confidence is a word I hide behind
Truth is I'm insecure inside
And thats no lie
When the world conspires to hold me back in line
Feel like nothin's goin right,
Although I try so hard, baby

Oh this is what you wanna see,
That they won't take the soul from me, no way
And thats the reason why

I play a 6 string for a livin'
But I ain't about to give in
'Cos I'm constantly just searchin for that vibe
I believe in what I'm doin
Though at times my life feels ruined
And my confidence needs lifting, woah

What's the point in tryin to knock me down?
Don't even hear the words you say right now
And that's not right
There's no rhyme or reason to what you say,
Don't you think its about time I had my day?
I don't know why, ooh baby

So open up your eyes and see,
Cos it won't take the soul from me, no way
And that's the reason why

I play a 6 string for a livin'
But I ain't about to give in
'Cos I'm constantly just searchin for that vibe
I believe in what I'm doin
Though at times my life feels ruined
And my confidence needs lifting, woah

I hold my head up to the sky
And I feel no shame
I walk the lonely streets at night
And I feel no pain

Oh why'd you see
What its having over me
And thats the reason why

I play a 6 string for a livin'
And I ain't about to give in
'Cos I'm constantly just searchin for that vibe
I believe in what I'm doin'
Though at times my life feels ruined

And my confidence needs lifting, woah
