

# Thunder

Jamie Woon

If you want it too  
I'll get on it too, baby  
If you want it too  
I'll get on it too, baby

Oh, oh, oh, oh  
Told you I'm as ready as they come, whoa  
Told you I'm as steady as the thunder  
Told you I'm as ready as they come, whoa  
Told you I'm as steady as the thunder

Like a son of rain and a son of fire

Told you I'm as steady as they come, whoa  
Told you I'm as ready as the thunder  
Call me, I'm as ready as they come, whoa  
Call me, I'm as steady as the thunder

Come on, come on
