Hey hey
Hey hey
Let the rain come down on me
Hey, hey, hey, hey
I see people and they're craving blood
And I'm so rarely understood
Well I don't know what they want from me,
It's gonna take sometime just to let them see

I'm going through a black, hey Capricorn day And though it doesn't seem so I'm going through a black hey Capricorn day Though you want to check me out I'm not the man to play, play, play, play. Hey hey Don't you see I'm not the man to play Hey hey No way you can play with me today Just let me sing it to my Capricorn day Hey hey My heart is a pure sun and the sky is black And I can feel cold steel when I turn my back It stings like needles, with a jagged tongue You know this scream reminds me Of when I was so young

I never had any of those
Black hey Capricorn days
Though it doesn't seem so
I've got to get this way
I'm going through a black hey Capricorn day
and though you want to check me out
I'm not the man to Play, play, play

It's just to black for me (x14) It's just too black

I'm stuck on the highway
leading straight to hell
Like any other drifter with a soul to sell
You know I'm dealing with the devil
In everyone I meet
And their faces tell a story,
That life ain't so sweet
