

# Do You Know Where You're Coming From?

Jamiroquai

Oh, do you know where you're coming from? Hey, nothing is as clear!  
Imagine in your mind, oasis.  
Far awide beyond our living.  
Sure enough I'm tired out trying  
Hang on when this world is spinning  
I was left out  
There was no light  
There was no sound  
Here in the dark  
Fishing Around For Meaning  
But, I had to ask  
Someone I knew  
Not so far away from where I was  
She said...  
Hey! Do you know  
Where you're comin' from?  
Hey! Do you know...  
Now where you're going to?  
She said...  
Hey! Have you been...  
Somewhere you've never ever been before?  
I said well...  
Nothing is as clear!  
Nothing is as clear without  
Holding Hand to gently guide you. Once that disapeared  
But it's so close now that I'm here beside you.  
I was left down  
There was no light  
There was no sound  
Here in the dark  
Fishing Around For Meaning...  
I had to ask someone I knew  
Not so far away from where I was  
She said...  
Hey! Do you know  
Where you're comin' from?  
Hey! Do you know...  
Now where you're going to?  
She said...  
Hey! Have you been...  
Somewhere you've never been before?  
...Now nothing is as clear  
Oh, do you know,  
Now where you're going to?  
She said...  
Hey, do you know now where you're coming from?  
Hey, have you been somewhere you've never ever been before?  
...Nothing is as clear!  
I was left down  
I was left down  
I was left down  
Imagine in your mind, oasis.  
Far awide beyond our living.  
Sure enough I'm tired out trying to  
Hang on when this world is spinning  
I was left out  
There was no light

There was no sound  
Here in the dark  
Fishin' Around For Meaning  
But, I had to ask  
Someone I knew  
Not so far away from where I was  
She said...  
Oh! Do you know  
Where you're comin' from?  
Hey! Do you know...  
Where you're going to?  
Hey! Have you been...  
Somewhere you've never been before?  
Oh, now nothing can ever be as clear.
