

# Love Foolosophy

Jamiroquai

Baby Baby, I feel these sweet sensations  
Honey honey, looks like a superstar  
She' got a promise of love-struck fascination  
What am I to do? How am I to know?  
Who you are

When this love, Fool, osophy is killing  
Previous illusions that  
I had in my mind about you  
Seems so true, all the lies you're telling  
Tragically compelling and  
My love it means nothing to you  
So maybe I'm still a love Fool

She shimmers like a California sunset  
Lady lady, glitters but theres no gold  
She carries sweetly infectious magic formulas  
I'm so delirious, is she that serious?  
Or is she bringing me on, I've been waiting so long

And this love, Fool, osophy is killing  
Previous illusions that  
I had in my mind about you  
Seems so true, all the lies you're telling  
Tragically compelling and  
My love it means nothing to you  
So maybe I'm still a love Fool

I don't want the world I want you  
I don't want the world I want you  
I don't want the world I want you

Love, Fool, osophy is killing  
Previous illusions that  
I had in my mind about you  
Seems so true, all the lies you're telling  
Tragically compelling and  
My love it means nothing to you  
So maybe I'm still a love Fool  
My love it means nothing to you  
So maybe I'm still a love Fool

You're my love foolosophy  
Don't you see it's killing me  
You're my love foolosophy  
Don't you see it's killing me

I'm a love fool
