Space Cowboy

Jamiroquai

Everything is good and brown Oh I'm here again With a sunshine smile upon my face My friends are close at hand And all my inhibitions Have disappeared without a trace I'm glad, oh I found Somebody who I can rely on

This is the return of the space cowboy Inter-planetary good vibe zone Say at the speed of Cheeba, oh you and I go deeper Maybe I'll have to get high to get by, hey

Everything is good oh and green Say I'm red again And I don't suppose I'm comin' down I can see clearly, so high in sky A man with psychedelic picture frames Of happiness to shade his eyes He's glad, oh that he found Somebody who he can rely on

This is the return of the space cowboy Inter-planetary good vibe zone Say at the speed of Cheeba, oh you and I go deeper Maybe I'll have to get high to get by, hey Maybe I'm gonna have to get high

Now he's here again Now he's here again And I don't know what I'd do without him next to me Everything, everything is good and brown Now that, now that he's around

This is the return of the space cowboy Inter-planetary good vibe zone

Say at the speed of Cheeba Oh, you and I go deeper Maybe I'll have to get high to get by

This is the return of the space cowboy Inter-planetary good vibe zone

Say at the speed of Cheeba, oh you and I go deeper Hey now we'll go deeper, oh now we'll go deeper You and I, you and I, you and I, you and I You and I, you and I, you and I, you and I Now we'll go deeper yeah
