

# You Give Me Something

Jamiroquai

When i met you, you were som unique  
Had a little thing I'd love to keep  
Every movement carried much mystique  
I knew right then I'd carry on,  
to you I knew my heart belongs

You give me something  
something that nobody else can give  
you see my heart has started thumping  
you're the only one I truly know I dig

Like the sunbeams from a perfect summer day  
Heaven only seems a step-away-when I'm with you  
I just celebrate I'm hopping my message gets through  
There's never been someone like you

You give me something  
something that nobody else can give  
you see my heart has started thumping  
you're the only one I truly know I dig

I had nobody, on you I would lean  
Cos you got these little things  
that I know-I've ever seen
