

# Bring It On Back To Me

Jan Howard

You took your heart from me  
And gave it to someone new  
But I won't be discouraged  
Honey, I'll wait for you  
Until you bring it on back to me  
Bring it on back to me  
When your heart's in need of sympathy  
Honey, bring it on back to me

Bring it on back to me  
Bring it on back to me  
When she throws it aside to carelessly  
Honey, bring it on back to me

You got a crazy mixed up heart  
Don't know what it's all about  
But I'm the one that loves you  
Someday you'll find out  
And then you'll bring it on back to me
