

He Called Me Baby

Jan Howard

He called me baby baby all night long used to hold and kiss me
till the dawn
Then one day I awoke and he was gone now there's no more baby b
aby all night long
He called me baby baby all night long kissed my tears away when
things went wrong
What I'd give if he'd just come back home and call me baby baby
all night long

He called me baby baby all night long build me up so high and m
ade me strong
Now each time in dreams just like a song I still hear baby baby
all night long
