

# I'd Like To Teach The World Sing

Jan Howard

I'd like to build the world a home  
and furnish it with love  
For apple trees and honey bees  
and snow white turtle doves  
I'd like to teach the world to sing  
in perfect harmony  
I'd like to hold it in my arms  
and keep it company  
I'd like to see the world for once  
all standing hand in hand  
And hear them echo through the hills  
for peace throughout the land  
It's the real thing  
what the world wants today  
That's the way it'll stay  
with the real thing (peace and love)  
It's the real thing  
(I'd like to teach the world to sing)  
what the world wants to see  
in perfect harmony (perfect harmony)  
A song of peace that echoes on  
and never goes away  
Put your hand in my hand let's begin today  
With your hand in my hand let me find the way  
I'd like to see the world for once all standing hand in hand  
And hear them echo through the hills for peace throughout the l
