

Time

Jan Howard

Some people walk some people crawl some people don't even move
at all

Some roads lead forward some roads lead back

Some roads are bathed in white some wrapped in fearful black

Time oh time where did you go time oh good good time where did
you go

Some people never get some never give some people never die and
some never

Live

Some folks treat me mean some treat me kind

Most folks just go their way don't pay me any mind

Time oh time where did you go time oh good good time where did
you go

Sometimes I'm satisfied sometimes I'm not

Sometimes my face is cold sometimes it's hot

Sunset I laugh sunrise I cry midnight I'm in between and wonder
ing why

Time oh time where did you go time oh good good time where did
you go
