## You Don't Know Me

## Jan Howard

You give your hand to me and then you say hello
And I can hardly speak my heart is beating so
And anyone can tell you think you know me well but you don't kn
ow me

No you don't know the one who dreams of you at night And longs to kiss your lips and longs to hold you tight

To you I'm just a friend that's all I've ever been but you don't know me

For I never knew the art of making love though my heart aches  $\boldsymbol{w}$  ith love for you

Afraid and shy I let my chance go by the chance you might have loved me too

You give your hand to me and then you say goodbye
I watch you walk away with teardrops in my eyes
You'll never never know the one who loves you so no you don't k
now me
You'll never never know the one who loves you so no you don't k
now me
