

# Don't Worry

Jana Kirschner

1. Don't you Worry Honey  
I Will Never Leave Your Side  
When All your Space Is Bare  
You Still Don't Have No Money  
Nothin' To Eat Or Wear  
But I Don't Care

R: Don't Worry darling  
'Cos I'll be your still, oh, yes, I will  
Don't Worry darling  
'Cos I'll be here and look out on you.

2. Don't be afraid honey  
I won't listen to what they say  
You're still my man  
Everything's all right  
Nobody understands you  
But I care

R: Don't Worry darling...
