

# The Sentimental Love Song

Jana Kirschner

This is a sentimental lovesong  
do you know what I'm feeling now.  
I know, it's not poetry you wait for  
the simply words I can hide.

This is a sentimental love song,  
and these words make me new.  
I know, this could be the story  
reading aloud in my room.

R: This is it  
This is love  
What I'mfeeling, no no no no  
This is it  
Loving strong  
when you're here  
This is it  
This is love  
What I'mfeeling, no no no no  
This is it love is strong  
when you feel this

This is a sentimental love song  
do you really care what I do,  
I know, this could be the moment,  
when I'm alone feeling blue.

R:

When you feel the rain ..  
When you feel the rain ..  
When you feel the rain ..
