

# Where Did You Go

Jana Kirschner

Where did you go  
Where did you go  
I just don't know, no no  
Here in my head

You are so cool  
You are so cool  
I'm such a fool, alone  
In your bed

It's two o'clock in the morning  
I'm starting at the wall  
No, I can't sleep,  
My dreams are haunting me, again  
In your bed  
It's two o'clock in the morning  
I'm starting at the door  
Before I leave  
I'll take a photograph of you  
In my head

They say if you give all your love  
And still can't get no love  
You better let it go  
I know it might be scary  
Maybe it's just ordinary  
Maybe it's just ordinary

Where did you go...
