

# Why You Wanna

Jana Kramer

Out of all the places in this little town  
Yeah you had to come walking in here and sit down  
I'm hiding and hoping my face ain't too red  
Since we been over been trying like crazy to get you out of my head

Sooo  
Why you wanna  
Show up in a old t-shirt that I love  
Why you gotta tell me that I'm looking good don't know what  
You were thinkin'  
You were doing  
Moving in for a hug  
Like you don't know I'm coming unglued  
Why you gotta why you wanna  
Make me keep wanting you

I wish you had on sunglasses  
To cover up those blue eyes  
I wish you said something mean  
Made me glad that you said goodbye  
Why can't you off somewhere  
If you catch me stareing at you  
Why can't you be cold like any boy ex would do

Sooo  
Why you wanna  
Show up in a old t-shirt that I love  
Why you gotta tell me that I'm looking good don't know what  
You were thinkin'  
You were doing  
Moving in for a hug  
Like you don't know I'm coming unglued  
Why you gotta  
Why you wanna  
Make me keep wanting you  
Keep wanting you

Why  
Why  
Why  
Would you tell me that you call me up sometime  
Maybe we can get a  
Drink and and just catch up  
Like that be enough  
No that ain't enough

Why you wanna  
Show up in a old t-shirt that I love  
Why you gotta tell me that I'm looking good don't know what  
You were thinkin'  
You were doing  
Moving in for a hug  
Like you don't know I'm coming unglued  
Why you gotta  
Why you wanna  
Make me keep wanting you

Why you gotta  
Why you wanna  
Make me Keep wanting you

Why you gotta  
Why you wanna  
Make me Keep wanting you

Out of all the places  
In this little town  
Yeah you had to come walking in here and sit down
