

Babe I Love You

Jandek

Babe I love you
Babe I love you
Sun is green
Moon is white
Baby I love you
Look outside
Genitals
Baby I love you
'Cause I'm fast

Baby I love you
Christ is near if you fear
He knows you
Baby I love you
Time is right, dynamite
Baby I love you
Go to bed, shut my head
Baby I love you
Black is white
Moon is bright
Baby I love you
Feast my eyes
On paradise
Baby I love you
