

Corner Of The Street

Jandek

Well I read about your bargain basement
At the corner of the street
And about the strangers fawning
At the sidewalk and your feet
While running, try to meet me
At the edge of the dawn
Where you saw the sun come rollin'
Across the meadow lawn
You saw the sun come rollin'
Across the meadow lawn
You were runnin'
Tried to meet me
At the edge of the dawn
And about the strangers fawning
At the sidewalk and your feet
Well I read about your bargain basement
At the corner of the street
