

## Couldn't Be A Reader

Jandek

I couldn't be a reader  
I had to write the words  
I couldn't be a dancer  
I had to pull the string  
Hey, I wouldn't treat you nice  
Hey, you'd have to pay the price  
Now I'm lost forever  
I couldn't play a part  
Knowing that a fever is written in my blood  
Hey, I wouldn't treat you nice  
Hey, you'd have to pay the price  
Best that you forget me  
Best that you forget me
