

Crack A Smile

Jandek

Make me with it
It's all a game of Sunday fortune
In your eye
Crack a smile
Fortune frowns on your bad heart
Can you bless them, will you
With a curse of a doubt
Crack a smile
Don't let your fortune fail you
I can be your heart
To be the weight on
A word from the
Report to your bone
Crack a face made of ice
Crack a black body
Don't let your fortune fail you
Crack a smile
