Ezekiel
I don't know your name
But I'm going to find a way
Ezekiel
I heard you say
That you are with me anyway
Take my time Ezekiel
I don't know your name
But I heard about your fame
All the way out here
You can take my time, Ezekiel
I'm going to find a way
I heard about you long ago
All this time I said no
Float on your waters, Ezekiel
I'm coming (huh) to find a way
