

## For Today

Jandek

For today I'll smoke a cigar  
For today I'll play your guitar  
For today I'll be real nice  
For today I'll cut you thrice  
For today I'll cup your eyes  
For today make no disguise  
There's a blanket for ya, doctor  
There's a full-fledged man of war  
There's an ink spot on your jersey  
And scuff marks on your floor  
For today you smoked a cigar  
For today you felt real cool  
For today you wore a blue shirt  
For today you wore some old brown shoes
