

# I Ain't Got None

Jandek

Just because you're lonely  
Just because your mother took your daughter from her only  
Da da da da da da...  
Just because you're lonely  
Just because your mother took your daughter from you, oh no  
Think you come around here  
Asking for my son  
I just have to tell you I ain't got none  
I have to tell you that I ain't got none
