Jandek

I want to know why
Tell me why, tell me why
I, tell me why
Why, he wants to know why
I'll tell you why
Why?
I want to know why, why why
Why, come on now
Okay, let's bring 'em out
She's gonna tell me why
Now bring it down
Why, that's all, just why
She wants to know why
Why? Why?
Why? Why? Ohio
Why-o why-o
Why did I ever leave Ohio
I'll tell you why
Why?
I'll tell you why
Why?
Oh this is why, this is why
Why
You want to know why?
Yeah, I want to
You want to know why?
Yeah why?
Eighteen? Why?
One
Because, because that's the only reason why
