

Janky

Jandek

Sure is clanky that hobnail Janky
Cleaning my boots in the pebbles and the sun
Along come Janky he sure is clanky
That Janky is clanky all the time
Clanky Janky, clanky Janky
Butter me up some bread right now
Don't wanna be clanky but here comes Janky
Janky is clanky I'll have you know
That Janky is clanky all the time
Clanky Janky
Clanky Janky
