

Lost Cause

Jandek

Listen to me baby it's a lost cause
Pretty Patty baby it's a lost cause
And all of your friends are a lost cause
Everyone's gone to the lost cause
Take off my shoes to the lost cause
Quit eatin' food for the lost cause
Take it all back to the lost cause
Forget your life to the lost cause
Take off your shoes to the lost cause
Quit eatin' food to the lost cause
Take it all back to the lost cause
Come on baby it's a lost cause lost cause lost cause
Everyone has gone to the lost cause
To the lost cause to the lost cause
To the lost cause to the lost cause
To the lost cause to the lost cause
To the lost cause
Now die brother
