

Nothing Is Better Than God

Jandek

Nothin's better than God
Nothing is better than God
God
I thank God, he's a real good friend of mine
God
The lord on Sunday
The lord on Monday, Tuesday, Wednesday
Thursday, Friday, Saturday
Oh why don't you let me be a little more like you
I enjoy being better
But I guess you hear that lots of times
Nothin's better than God
It's only a song here
Aw, it's just a word
I would want to know you
If I really could
If I really could
Oh
Oh, no
I want to love you God
I want to know God
I want to love you God
I want to hear you
Is that wrong? Is that right?
I don't think there's anything, God
