

Only Way You Can Go

Jandek

Gallivantin' round the universe
Somebody slipped me a gold purse
The lectures are next Friday
Meet you there with a bridegroom
Fortunately you don't have to inform nobody
We don't need any audience
You seen me now
At least 15 times as I can count em
Don't you think that's some kind of seniority
The future not very great but
Yeah, oh
It's the only way you can go
