

Star Up In The Sky

Jandek

I love the rhythm
You'll find him there
Just a

Last night I saw the evening star

Oh good, I'm glad to hear it
You just made my day

I know I'm not diversified
Because I saw it in the sky

A very good place to see it, in the sky

Way up in the sky
Last night it was in the sky
Oh my, up in the sky
I saw a star up in the sky
I saw the star up in the sky
