

Stick With Me

Jandek

Steven, don't you know that I be breathin'
Steven, I wish you weren't leavin'
Steven, you got me believin'
Steven, aw I wished you were deceivin'
Steve, don't leave
Steve, don't make me grieve
Steven, I'll fall in love with my friend
And when you wanna bargain
You'll have to forgive my
Please Steve
Think it over, give me another chance
Steve, don't leave
Don't leave me Stevie
Come on, stick with me
