

# Take Me Away With You

Jandek

I'm breakin' my life in two  
I'm breakin' my life for you  
Dancin' in circles I'm calling ??? through  
Fly away, fly away  
Take me, take me away with you  
Fallin' the clouds are misty blue  
Come on downstairs I'm fallin' nowhere  
Please help me through  
There are circles of mystery fallin' all around me  
Fallin' all around me  
I can feel them, I can touch them, I can see  
I can see the mystery  
And if you see me walkin' down the street  
Don't sigh at me, don't sigh, don't sigh at me  
Just let me be  
Inside of you  
Tired of playin all those dark games  
Playin', playin', playin  
Sayin' what's not meant to be for me  
Flesh, flesh and bone  
Oh the mystery
